For Immediate Release

F46 (American Legion Road SE) construction starting Monday, April 29, 2024

Johnson County, Iowa – Weather permitting, construction will begin on F46 (American Legion Road SE), between Taft Ave SE and Highway 6, Monday, April 29, 2024. This location is in eastern Johnson County, outside of Iowa City. Work includes grading, widening, hot mix asphalt resurfacing with milling, and culvert replacements and extensions.

Construction will occur in roughly one mile sections along the road. Flaggers and pilot cars will be used with lane closures during the day. Please plan for delays and use caution when traveling in the construction zone.

A full closure will occur between 400th St SE and Wapsi Ave SE to replace two road culverts. This closure is anticipated to last 10 days. A detour route will be in place during this closure. The detour route will utilize Wapsi Ave SE and 400th St. Dust alleviation will be applied on the detour route.

Construction is anticipated to last through November 2024. L.L. Pelling Company, Inc. of North Liberty, Iowa is the prime contractor.

For updates on this project, visit the Secondary Roads Department, Road Construction Updates link on the Johnson County webpage (www.johnsoncountyiowa.gov).
